

Kidz CatchUP

“Building a FIRM Foundation”

ABOUT US

Kidzcatchup *was built on a dream to promote reading and writing for all learners and to bridge the Literacy gap between learners of different backgrounds.*

Our Aim is to provide remedial assistance to students who are experiencing learning difficulties. Assist children who cannot speak english to read and write.

Build learner' s confidence in their initial stages of reading.

Our Management Team

Mr. Sanasey comes from an Information Technology background, with over 17years experience in various fields. Mrs Sanasey comes from an Educational Background with over 15years experience as a Foundation phase Specialist (education) The knowledge, experience, and contacts accumulated during that period have led to changes in the traditional modus operandi of *Kidzcatchup*.

Combining our core skills being Education & Information Technology, we were able to form Kidzcatchup.

Vision

The vision of **Kidzcatchup** is to promote reading ,writing for all learners and to **bridge the literacy gap** between learners of different backgrounds.

- Provide remedial assistance to students who are experiencing learning difficulties.
